**LABEL FILED:** February 23, 1951, District of Connecticut.

**ALLEGED SHIPMENT:** On or about September 6, 1950, by Lamour Hair Products, Inc., from New York, N. Y.

**PRODUCT:** 100 color combs at Hartford, Conn. Examination showed that none of the combs were colored with coal-tar colors. The shade designated as black was colored with a mixture of iron oxide and carbon, and the shades designated as auburn, red, and medium brown were colored with iron oxide.

**LABEL, IN PART:** (Package) "Color Comb by Lamour."

**NATURE OF CHARGE:** Misbranding, Section 602 (a), the label statement "Coloring material used, comply with regulations of the United States Dept. of Pure Food and Drugs, Washington, D.
